Dear Tom,

We have been selling your custom-made cues for quite some time now and I just wanted to let you know that we have received nothing but the highest of praise for the superior craftsmanship and artistry that you put into each cue.

It is a true pleasure to be able to offer our customers not only a selection of cues that you have already made, but to offer them the opportunity to have you create their vision of the perfect cue and present it to them as a true one of a kind treasure.

You put so much of your heart and soul into each cue that I really am surprised that you can part with your masterpieces. My customers are lucky!

Because your craft is so specialized, we wanted to express our thanks for you and your work. We value your artistry greatly.

All of the best, my friend.
